“TAKING THE JOURNEY WITHIN: THE TRUE EXPRESSION OF CREATIVITY”

Jenny Boyd will discuss the importance for us all to get in touch with our creative expression. She will share her own experience of living in a world populated by musicians and her friendships with some of the most innovative performers.

This presentation will bring to light the findings from what later became her book, ‘It’s Not Only Rock’n’Roll: Iconic Musicians reveal the source of their creativity.’

This event is co-sponsored by :
The Institute for the Study of Christianity & Culture
MSU Department of Religious Studies
MSU Department of English.
